All,

Attached is the **rolling-quarter calendar for preaching and teaching**. This should help keep everyone aligned on what's planned for the next three months and give the elders time to review, suggest adjustments, or make scheduling changes as needed.

At our October Elder Meeting, Andrew suggested using a *rolling-quarter schedule* instead of a full-year calendar. This approach provides flexibility, since a year-long plan often locks in details that may need to shift as events and circumstances evolve.

Some key annual events will still be planned a year in advance, but the **rolling-quarter schedule** will carry most of the detail going forward.
