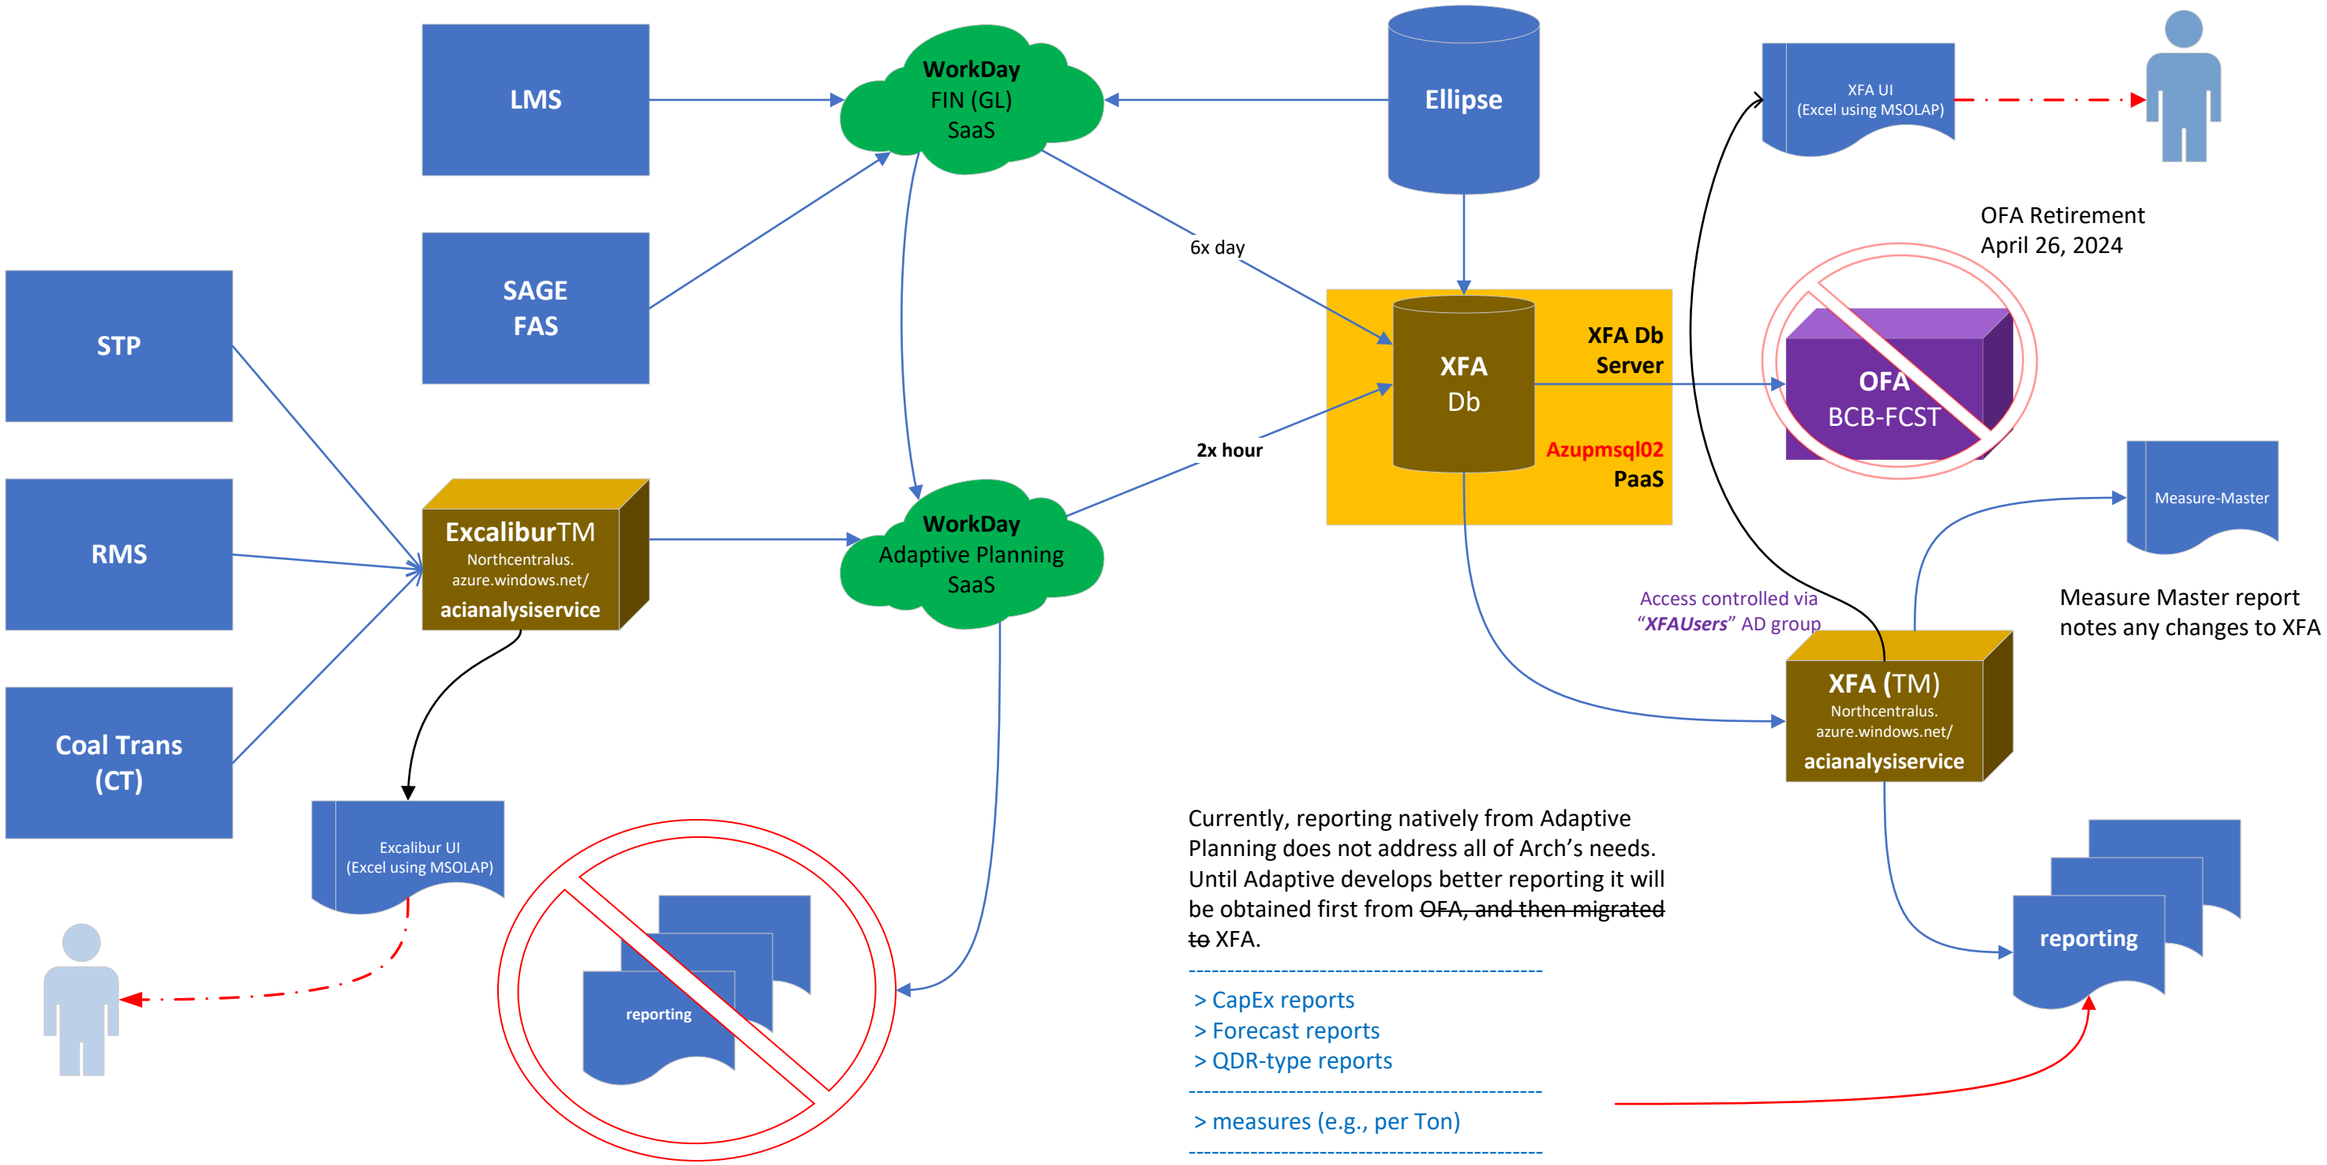
Arch Resources : Workday Adaptive Planning & XFA

June 17, 2024 *mBret*



OFA Sales & Marketing -> Excalibur
OFA Ops (GL & Fin rptg) -> XFA

Currently, reporting natively from Adaptive Planning does not address all of Arch's needs. Until Adaptive develops better reporting it will be obtained first from ~~OFA, and then migrated to~~ XFA.

> CapEx reports
> Forecast reports
> QDR-type reports

> measures (e.g., per Ton)

> YTD / QTD
> variance reports
